

LETTER OF RECOMMENDATION

During my carrier as a Principal, I have come across a few students but only a few have left a lasting impression on me and I am proud to say that Ms. XYZ is one of them.

I know XYZ since 2015 as a bright student of Bachelor of Commerce. Her quality of commitment to study makes her different from other students. She is very active in extracurricular activities. She participates and manages the functions held in the college. She is being a member of the working committee, she organized the functions and seminars held in the college.

I have found XYZ to be a highly focused and perceptive student, who is capable of adapting to any given circumstance and performing beyond par.

I strongly recommend her for higher studies in her field of interest.
